Film Review
THE DA VINCI CODE
(2 hours and 29 minutes)

One day the mystery affair began with the curator's body found in the Louvre art museum.

He left some codes around himself.

They lead up to Da Vinci's works.
They have clues,
"Mona Lisa",
"Madonna of the Rocks"
and
"The Last Supper".

And "The Last Supper" has daring facts!

Have you ever seen 'The Da Vinci Code'? It is difficult and a problem movie. Some people speak ill of it. Because the movie is having some religious problem. But, I like this one.
How about you?
